"ADVANCED MARRIAGE TRAINING FOR SINGLES"

DLC Consultant Group Publishing Company

Advanced Marriage Training is pleased to announce the arrival of the new book, "ADVANCED MARRIAGE TRAINING FOR SINGLES" by published author Dr. Derrick L. Campbell. This book is designed to prepare singles for marriage.

The intended audience for this book is people who are single. 'Advanced Marriage Training for Singles' is intended to provide a single person with activities for reflection before selecting a husband or wife. In many cases, after people have decided to marry or become engaged they do not take a closer look at the values and desires that each individual has for their marriage. It is not until after their wedding that they begin to uncover values that often contradict the values of the other person and therefore create tension in the marriage which can lead to separation or divorce.

Meet the Author, Dr. Derrick L. Campbell, during the Mount Zion 2015 Leadership Conference on Saturday, January 24, 2015. This conference will take place at the Mt Zion Baptist Church's WinSan Center 352 S. New Road (Rt 9) Pleasantville, NJ 08232 from 8:00 am -- 2:30 pm. Dr. Campbell will be on hand to meet and greet you, read from his book and sign your books! Join in on all the pictures with the author and so much more!

Dr. Campbell's other books will also be available at this time.
