Advanced Marriage Training for Singles

DLC Consultant Group is pleased to announce the arrival of the new book, "ADVANCED MARRIAGE TRAINING FOR SINGLES" by published author Dr. Derrick L. Campbell. This book is designed to equip singles to make a better choice in selecting a future spouse.

The intended audience for this book is people who are single. While this book will help married people, people who are engaged, and people who are dating, I believe that people who have not began to officially date will benefit the most from this book. I say that because after finishing the book, the pre-dating individual will have a complete picture of their expectations and therefore make an informed decision before they begin the dating process. This will reduce the divorce rate in our country tremendously.

Meet the Author, Dr. Derrick L. Campbell, at his book signing on Saturday, September 13, 2014. This fun filled experience will take place at the Training Camp: Training Men for the Game of Life at James United Methodist Church 213 North Walnut Street, Rising Sun, MD. The event will take place from 9:00 am to 1:00 pm. The author will be on hand to meet and greet you, read from his book and sign your books! Join in on all the Fun give-aways, pictures with the author and so much more!
